"Eat Up" with Brandi Anderson will be our food vendor at Saturday Island Fest

As the Twin Rivers School wants to do a movie every month, Island Fest would forego doing one.

August 2, Friday night have the band Exit 73 playing about 7pm until ??
Center Stage playing on Saturday night.

It was suggested to meet with teenage kids to see what they would like to have for them at Island Fest, AND the same type of meeting for 20+ years olds. Get some input from both groups

Cassi mentioned Kona Ice Truck

Brandi and Max decided that \$2000 insurance on bounce house would be adequate
When Judy writes the letter to Library asking to use their property, ask them if they would like
to participate in the parade

I spoke with Chris Wolcott after this meeting, via message, and she is happy with bingo being
on the Island in the far pavilion, at approximately 4pm, even with the horseshoes,
washer toss, etc.

Cassi mentioned a flyer for "Save the Date" for our events, to go into the Expo packet.

Patty Priest will contact the Free Fair re: our group doing Bingo at the fair.

We need to find a place to store the bounce house, safely

Max motioned, Cassi 2nd to adjourn meeting.
